

FREEMASONRY
NATIONAL GRAND LODGE OF ROMANIA

VLAD NĂSTASE - MASONIC C.V.

A second-generation Freemason, I have dedicated over 20 years to the Brotherhood that has contributed to shaping me into the person I am today.

*In my life, I have three supporting pillars and, at the same time, three scales - one holds **Family**, another holds **Profession**, and the third holds **Freemasonry**. I strive to maintain a balance and not tilt the scales in the balance of my life, even though sometimes one of the scales is more inclined under the weight of the time allocated than the other two.*
